Join us for a celebration of our school-grown vegetables

A group of our students will soon be selling school-grown fruit and veg at Moor Market as part of the Young Marketeers programme by School Food Matters. This programme is a brilliant food education initiative teaching young people where food comes from and how to prepare it.

Over the past six months, they've been working alongside our dedicated school gardeners to grow fresh, seasonal produce, immersing themselves in every stage of the food journey.

We'd love to invite you to come and support them as they sell their harvested produce on **Wednesday 15 July from 10.30-12.30**, at Moor Market.

This is a real moment of celebration after months of hard work. All funds raised will be reinvested back into Open Kitchen. We hope to see you there!

Good luck Mrs Twomey!

At the end of term, Mrs Twomey is finishing her secondment at Emmaus and is moving on to take up a secondment headship at St Joseph's Rawmarsh. Though Mrs Twomey has only been with us a short while, she has worked very hard to build relationships with families and support Mrs Taylor with our RE provision. Thank you for all that you've done and we wish you the best of luck!

Summer Fayre at Our Lady Queen of Heaven and St Oswald's Church

Sister Anne and Sister Maureen are pleased to invite you to their Summer Fayre on **Saturday 11th July** from 12.30 onwards. We look forward to seeing you there!

School Age Immunisation Service

Some children and young people may not be up to date with the current national immunisation programme. The School Age Immunisation Service (SAIS) provides regular drop-in clinics across Sheffield, offering parents and carers a convenient way to access vaccinations. It is run by experienced nurses and healthcare support workers and they can help you to ensure your child's vaccinations are up-to-date and they are fully protected against serious diseases, such as polio and measles.

Please visit this website for more details: <https://www.sheffieldchildrens.nhs.uk/services/school-nursing/school-age-immunisation-service/>
