Parents' Evening

Thank you for your support in attending Parents' Evening. It was great to see so many parents. Some parents had a very long wait and were extremely patient throughout. We had some fantastic feedback from parents and altogether it was a very positive and lovely evening. A special thank you to parents Zoe and Tasha for their support in making refreshments.

Easter Egg Competition

I'm sure most of you and your children know all about Tim Peake, the British astronaut who is working on the International Space Station. We have decided to support Tim by giving our traditional Easter egg competition a Space theme. Entries will be judged on Tuesday 22nd March. We will send out more information soon regarding when the eggs can be brought into school. There will be 4 age group categories and 3 prizes in each age group: - FS 1&2, Y1&2, Y3&4 and Y5&6. The eggs can be real, hard-boiled ones or synthetic. They must have a Space theme to win. Good Luck!

Attendance

Congratulations to Y3 AN for having the best attendance last half term. There was a massive cheer in the hall when they realised they had won and the children were so pleased and proud of what they had achieved.

Our attendance figures are improving thanks to the continued partnership between home and school.
