Dear Parents

July 2015

Thank you to all of you who filled in a questionnaire at parents evening on Thursday evening. Altogether we had 73 responses. The results of the survey are as follows:

Strengths

A 100 % of the parents who completed the survey agreed that their child was happy at school, that their child was taught well and made good progress in their learning. This is really positive feedback and we hope to maintain this throughout your child's time at Emmaus.

Development points

The way school deals with bullying is an area we feel we can improve upon. Many parents felt they didn't know how effective we were in dealing with bullying. We do a lot of work in school around many bullying issues and aim to teach children about bullying throughout the school year rather than just dealing with it when it happens, but from the feedback in the future we will make sure that you know what we are doing and how you can help support the work we are doing in school.

The Governors and my-self will use all of the information to inform parts of the School Development Plan for the next school year.

Thank you for support

Helen Simmerson
