### Water Heaters

We urgently need to replace two water heaters in school. At the moment we have no hot water. We have made some adjustments in school for this. Taylor Shaw have brought in small water boilers and we have an electric sterilizing sink for school lunches. For the pupils and staff the difference between washing hands in cold or warm water is minimal. It is more important that hands are washed with soap and water than not at all. We are putting extra sanitizing foam in classes as an extra precaution. We are limited in what we can serve in breakfast club as we are using disposable plates, bowls and cups etc. The water heaters are expected to be replaced next week. I thank you in advance for your cooperation.

### Nicole Price

I am delighted to announce that Nicole will be joining the teaching staff of Emmaus in September 2016.

### Queen's 90<sup>th</sup> Birthday Celebrations

We will be celebrating the Queen's 90<sup>th</sup> birthday on Friday 10<sup>th</sup> June near her official birthday. The children can wear red, white and blue and the school council have organized a special menu for that day.
