Dear Friends

Thank you so much for your generous donation of food towards our harvest appeal. It will support our work with Sheffield's homeless and vulnerable, helping them to take steps towards a fulfilling and enjoyable lifestyle.

The food donations we receive at this time of year allow us to continue to provide hot breakfasts and lunches, and put together food parcels made of food and toiletries. Food is one of the key foundations of our work, allowing us to help individuals like Chloe. Chloe was a homeless street drinker. She came to our centre for a number of years over which we helped her into rehabilitation units three times and on the last time she stayed for the whole treatment and her life has changed. She is now working towards paid employment.

Together we can make a real difference in changing people's lives.

Best wishes
