Sunday 10th May 2020

Dear Parents and Carers

Like many of you I have only just seen the announcement by the Prime Minister. At this stage I cannot answer all the questions you may have. I am waiting to receive more information from the government about what this means for our school.

In the short term nothing has changed. School is still closed to the majority of pupils. I do not have capacity to increase emergency child care places in the short term. I will be looking at this in more detail in the next few days, depending upon government advice received. I would ask for your cooperation and patience in waiting for further information from me.

I will also write to you again when we have further clarification and guidance with regards to the Prime Minister's suggested return of Reception, Year 1 and Year 6 children.

I would like to thank you again for the amazing home learning you have undertaken with your children and for staying at home and keeping us all safe.

With very best wishes

Mrs Simmerson
